Oregon Roads

There is little ... that ... the ... west ... Wagons ... roads in the ... ed. Early ... substantial ... other ... temp rarily ... this subject ... such a condition ... ble at the present ... As a consequence ... first unsettled fall ... core structures, and ... that there can be travel ... season commences ... spring ... appened if done from this ... results. While ... said roads in worse ... It is not necessary ... making improvements ... proved that the cost ... they can be travelled, ... expenditure made upon them. Repairing may be done in such a manner that it will last for a year, as well as in a single season. It is the very ... verse of good economy to do coarse work in a slight a manner that it will ... of a few months. ... set apart through ... requiring ... we have mentioned ought to suggest themselves ... to those upon whom it devolves to give direction ... to this public work.

Few pieces of road are to be found in this State which are completed in so thorough a manner as to be good at all times of the year. It is worthy of general attention to consider whether it would not be good policy for every neighborhood to construct portions of road every season of an substantial a mode that years might elapse before any repairs would be needed. In this way would require a considerable outlay of labor, but in the long run, such a method would conform more nearly to true economy than the course that ... Each succeeding year would thus witness a permanent improvement. In this manner a ... grave might be made in the way of obtaining good roads, whereas by ... in making temporary repairs only when the roads were otherwise impassable, no truly valuable improvement will ever be effected.

The importance and unfitness of purpose which the notorious and exasperate incident to the Pacific coast have produced among the people, are still observable in the mode in which ... both public and private, are conducted. When men give up the idea of getting rich speedily and then leaving the country, they will be an increased stability and permanence in whatever they perform. When enterprise shall have made Oregon such a country as will be desirable to be lived in, there will be less dissatisfaction among the citizens about the inconveniences that exist here, and all will be willing to remain and work for the permanent good of the country.

A Deliverer Wanted.

Who shall bring the Democracy deliverance? With them "tyranny" is still the cry. The assassin Booth, pit ... execution an idea they had long held and industriously propagated, the idea that Lincoln was the despoiler of their liberties and that his death might make them free. But still deliverance comes not. Oppression is still their lot. Vain for them has been the cry of Booth—the man who, as their Southern brethren say, gave himself a martyr to the cause of freedom. Southern Democrats preached for the basest of murderers a life to come. If it is not ... completely overturned the Government and wrought out the "disenthrallment" of Northern Democrats, he would also have found an apotheosis in their hearts forever.

It is hard to tell what these praters about ... mean really mean. Other men are subject to the same laws as they. No single right of theirs is assailed. No privilege which the law grants to other citizens is withheld from them. What then is their cause of complaint? Why so many murmurs? Why such furious threats? A sense of decency and a regard for good record among men, if indeed it may not be questioned whether they possess either of these qualities, ought to induce them to hold their peace. The world long ago discovered that their charges of tyranny were unfounded. A further persistence in these absurd ... only brings them into ridicule.

What is it that they want? What do they insist upon? From the course they take, and from the manner in which they inveigh against the laws and the men of clear administration, they seem to desire to be exempted from all the obligations of society and government. In no single instance can the law interfere with the volition of evil men without their cry of "oppression" be heard. If any citizen is ... upon the unbridled passions of others who choose to do wrong forthwith they ... their cry on such ... exclamations of outrageous ... BY

DR. LA'MERT,

Member of the Royal College of Surgeons of England, and Late Physician and Surgeon to the Royal Hospital for Diseases of the Urinary and Generative Organs.

THE PECULIAR AND SPECIAL ATTENTION OF THE AFFLICTED IS CALLED TO THE FOLLOWING DISEASES OF THE URINARY AND GENERATIVE ORGANS:

THE READING ROOMS

DR. LA'MERT desires to call the attention of those who suffer from the secret habit of self-pollution, to the fact that the PERSONAL INFLUENCE of the Physician is not necessary to the cure of the most inveterate cases. Where this habit has produced nervousness, debility, dimness of sight, loss of memory, pimples on the face, aversion to society, and other symptoms of a diseased mind, a few days' consultation with DR. LA'MERT will restore the patient to perfect health.

DYSPEPSIA.

Loss of Appetite, Weakness, Excessive Fatigue, Sour Stomach, Mental Despondency, &c.

IS MOST EXTRAORDINARY.

It is composed of the Choicest Roots and Herbs, the Unbounded Success of which in the cure of DYSPEPSIA, and all diseases of the STOMACH, LIVER AND BOWELS, has caused many Worthless Articles to be introduced into the market.

Dr. Walker's California Vinegar Bitters

Are entirely different from any preparation before the public. Their Great Purifying, Healing and Invigorating properties are unequaled by any other Tonic or Stimulant. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

They are the best Blood Purifier and Life-Giving Principle yet discovered, curing all diseases caused by Vitiated Blood.

No person can take these Bitters according to the directions and remain long unwell, provided their bones have not been destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms are the offspring of Dyspepsia. One bottle will prove to the most incredulous a better guarantee of its merits than a lengthened advertisement.

For Inflammatory, Chronic Rheumatism, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been unequaled. Such Diseases are caused by Vitiated Blood, which is generally produced by Derangements of the Digestive Organs.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

PIN, PIMPLE, BLOTCH OR ULCER

On the face, is an indication of internal corruption, and generally arises from Sluggish Bowels or Obstructed Circulation. Cleanse the blood when you meet with an obstruction, and you will not see these disfigurements.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most skeptical of their curative effects.

FOR CLEANSING THE BLOOD

Whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

FOR PURIFYING THE BLOOD

Whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

For Inflammatory, Chronic Rheumatism, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been unequaled. Such Diseases are caused by Vitiated Blood, which is generally produced by Derangements of the Digestive Organs.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Dr. Walker's California Vinegar Bitters

Are entirely different from any preparation before the public. Their Great Purifying, Healing and Invigorating properties are unequaled by any other Tonic or Stimulant. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

They are the best Blood Purifier and Life-Giving Principle yet discovered, curing all diseases caused by Vitiated Blood.

No person can take these Bitters according to the directions and remain long unwell, provided their bones have not been destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms are the offspring of Dyspepsia.
